

SPECIAL ISSUE
New Frontiers and Future of Wood Science and Technology in India

Journal of the Indian Academy of Wood Science

Official Publication
of the Indian Academy of
Wood Science

Editors

O.K. Remadevi
S.C. Joshi
R.V. Rao
C.N. Pandey
R. Sundararaj
S.K. Sharma

 Springer

Journal of the Indian Academy of Wood Science

Volume 8 · Number 2 · December 2011

Special Issue on New Frontiers and Future of Wood Science and Technology in India

Editors: O.K. Remadevi, S.C. Joshi, R.V. Rao, C.N. Pandey, R. Sundararaj and S.K. Sharma

Editorial

O.K. Remadevi · S.C. Joshi · R.V. Rao · C.N. Pandey ·
R. Sundararaj · S.K. Sharma 51

Dendroclimatology and climate change: Indian perspective

H.P. Borgaonkar 52

Wood based panel products: technology road map

C.N. Pandey · S.K. Nath · D. Sujatha 62

Wood substitution: recent developments in India

S.K. Nath · V.K. Chawla 68

Wood exudates: an overview on aromatic gums and resins

K. Murugesan · G. Ravi kumar · S.H. Jain · S. Mohan ·
S.G. Nair 72

Processing and utilization of coconut wood in Kerala

E.V. Anoop · V.V. Sheena · P. Aruna · V. Ajayghosh 76

Energy consumption of wood based panel products: a review

J. Vengala · S.K. Nath · C.N. Pandey 80

Microwave drying of planks of *Grevillea robusta*

A. Cunn. ex R

P.K. Aggarwal · S.S. Chauhan 84

Potential of community level utilization of coconut shell and stem wood for charcoal and activated carbon in Kerala

T.K. Dhamodaran · S. Babu 89

Rational utilization of plantation grown *Acacia mangium* willd

S.K. Sharma · P. Kumar · R.V. Rao · M. Sujatha ·
S.R. Shukla 97

Variation in wood anatomical properties of selected indigenous, multipurpose tree species grown in research trials at LRS Thiruvazhamkundu, Palakkad, Kerala

E.V. Anoop · V. Ajayghosh · H. Pillai · S. Soman ·
V.V. Sheena · P. Aruna 100

Insect communities associated with the fruiting bodies of wood decaying macro fungi in Rajiv Gandhi National Park, Nagarahole (Nilgiri Biosphere Reserve, Karnataka)

P. Sarasija · O.K. Remadevi 106

Soya based phenolic resin for plywood manufacture

B.S. Mamatha · D. Sujatha · S.K. Nath ·
C.N. Pandey 112

Wood quality variation in *Tectona grandis* (teak) clones from CSO raised at Maredumilli (Rajahmundry), Andhra Pradesh

S.R. Shukla · R.V. Rao · S. Shashikala · P. Kumar ·
S.K. Sharma 116

Provenance variation in wood chemical properties of *Acacia mangium* willd. and *Acacia auriculiformis* cunn., grown in a wet humid site in Thrissur district of Kerala, South India

K.M. Mohammed Raphy · E.V. Anoop · P. Aruna ·
V.V. Sheena · V. Ajayghosh 120

Inter species wood variation of *Castanopsis* species of Meghalaya

C.L. Sharma · M. Sharma · M.J. Carter ·
B.M. Kharkongor 124

Anatomical variation in the juvenile wood of Acacias grown in the South Indian state of Kerala

R.V. Rao · E.V. Anoop · V.V. Sheena · P. Aruna ·
V. Ajayghosh 130

Reduction of formaldehyde release from panel products

D. Sujatha · S.K. Nath · C.N. Pandey 136

Status of insects and fungi intercepted from wood imported into India

O.K. Remadevi · K.S. Rao · K. Ananda · R. Veeranna ·
B. Tarakanadha 139

Use of silicone based coating for protection of wood materials and bamboo composites from weathering and UV degradation

S.C. Sahoo · A. Sil · K. Thanigai · C.N. Pandey 143

An identification guide to the wood destroying termites of south India

R.R. Shanbhag · R.Sundararaj 148

Wood anatomical variations in some species of *Quercus* of Meghalaya

M. Sharma · C.L. Sharma · B.M. Kharkongor · M.J. Carter 152

Performance evaluation of musical instruments using computer controlled test setup

S.K. Sharma · S.R. Shukla · R.V. Rao 158

Efficacy of colemanite against mould fungi on rubber wood veneer

A. Kalawate · C.N. Pandey 161

Resistance of different age groups of timber of *Ailanthus* species to biodeterioration in Karnataka conditions

D. Venmalar · H.C. Nagaveni · O.K. Remadevi · P. Babu · G. Vijayalakshmi · P. Shalini 165

Potential of *Aspergillus niger* and *Trichoderma viride* as biocontrol agents of wood decay fungi

C.K. Tiwari · J. Parihar · R.K. Verma 169

Durability of timber of *Grevillea robusta* (A. Cunn. ex R. Br.) at different ages, grown in dry and wet regions of Karnataka

H.C. Nagaveni · G. Vijayalakshmi · D. Venmalar · O.K. Remadevi 173

Early detection of wood quality in *Hevea brasiliensis* (Rubber wood) using cinnamyl alcohol dehydrogenase (CAD) activity and lignification

C.P. Reghu 177

Influence of maleated polystyrene on the mechanical properties of bio-based fibers-polystyrene composites

P.K. Aggarwal 184

Decay resistance of some imported timbers against brown and white-rot fungi

H.C. Nagaveni · G. Vijayalakshmi · R. Sundararaj 190

Marine exposure trials on two treated timbers used for fabricating catamarans

M.V. Rao · P.K. Aggarwal 193

Effect of leaf and bark extracts of *Cleistanthus collinus* (Benth. & Hook) and *Prosopis juliflora* (Sw.) DC in combination with inorganic compounds against wood decay fungi

S.H. Jain · H.C. Nagaveni · G. Vijayalakshmi 198

A study on the effect of weathering on bamboo mat corrugated sheet (BMCS)

K. Thanigai · A. Nandanwar · S.K. Nath · D. Sujatha 201

Evaluation of wood extract of *Dysoxylum malabaricum* Bedd. against the plant pathogenic fungus, *Fusarium oxysporum* Schlecht

S. Mohan · H.C. Nagaveni · S.H. Jain ·

G. Ravikumar 204

Suitability of *Melia dubia* (malabar neem wood) for plywood manufacture

D.N. Uday · D. Sujatha · C.N. Pandey 207

Recommendations of the workshop on "New frontiers and future of wood science and technology in India"
